Payments

For oyster seed and spat-on-shell, a 50% non-refundable deposit is required when the order is placed. Triploid and Disease Resistant larvae require a 25% deposit. All orders are custom produced. The time it will take for each order to be ready will vary. If you choose to have the order shipped, payment may be made via a FedEx account or shipping costs will be billed in a separate charge. All sales must be **PAID IN FULL** before product will be released. Payments can be made to UMCES HPL by check or to ORP by credit card, check, or money order. Cash will not be accepted. Personal checks will not be accepted for orders over \$500 without prior approval. A certified check, money order or credit card is required.

Orders for Pick-up

When the order is ready for pick up, a hatchery staff member will notify you. You will then have 7 business days to pick up your seed order. If pick-up is not made within those 7 days, you may be subject to a price increase and product availability is not guaranteed. Full payment is due before or at the time of pick-up. All sales must be **PAID IN FULL** before product will be released.

Orders for Delivery

When full payment has been received, a hatchery staff member will assist with scheduling a shipment of your order via Fed Ex. Upon notice, shipping must be scheduled within 7 business days with delivery within 10 business days. Failure to schedule/receive shipment within this time frame could result in an increase in price and product availability is not guaranteed. We do not ship on Fridays or weekends. All sales must be **PAID IN FULL** before product will be released. Upon delivery, it is the responsibility of the purchaser to inspect the cooler's contents for quality before accepting the package. Oysters must be transferred to seawater as soon as possible.

Cancellation/Refunds

In the event that you cancel your order, you will forfeit your deposit. In the event that the facility is unable to fulfill your order, you will be refunded your deposit. This can take up to 6-8 weeks to process.
